## RISK MANAGEMENT FINANCIAL SOLUTIONS

A variable annuity is a long-term financial vehicle designed for retirement purposes. An insurance company accepts premiums and provides future income or a lump sum to the contract owner by contractual agreement. Contract limitations, fees and charges include, but are not limited to, mortality and expense risk charges, administrative fees, sales and surrender charges, and additional fees for optional benefits. Withdrawals also may be subject to charges, and will reduce annuity contract benefits and values.

Payment of benefits under the annuity contract is the obligation of, and is guaranteed by, the insurance company issuing the annuity. Guarantees are based on the claims-paying ability of the insurer. Variable annuities are issued and guaranteed by **Integrity Life Insurance Company**, Cincinnati, OH, and **National Integrity Life Insurance Company**, Goshen, NY. Integrity operates in DC and all states, except ME, NH, NY and VT where National Integrity operates. W&S Financial Group Distributors is an affiliated agency of the issuer. Issuer has sole financial responsibility for its products. All are members of Western & Southern Financial Group.

**Integrity and National Integrity do not offer tax advice.** For specific tax information, consult your attorney or tax advisor. Product and feature availability, as well as benefit provisions, vary by state. Contact your financial professional for product details and limitations.

***There is no guarantee of the investment performance or safety of the variable investment options of a variable annuity. Securities offered by Touchstone Securities, Inc.,\* Cincinnati, Ohio. Investment return and principal value of an investment in a variable annuity will fluctuate, so units, when redeemed may be worth more or less than their original cost.***
